Notice

**To: All Farm Property Owners
Masilonyana Local Municipality**

Re: Valuation Roll

The farms in Masilonyana are not included in the current Municipal Valuation Roll due to the unavailability of Deeds Information at the time of the compilation of the Valuation Roll.

The Municipality will now in terms of Section 78 and 79 of the Municipal Property Rates Act No. 6 of 2004 cause a Supplementary Roll, which will include properties omitted from the valuation roll. The Supplementary Roll will be made available at the end of June 2014 and property owners will be given an opportunity to inspect the Supplementary Roll and where necessary, lodge objections as per Sections 50 and 51 of the Municipality Property Rates Act No. 6 of 2004.
