**CANCELLATION OF RFQ FOR SUPPLY AND DELIVERY OF 2800
BRANDED CLOTH MASK**

BID NUMBER:2021/08/001

In terms of section 217 of the Constitution of South Africa and section 112 of the MFMA, stipulates that when organs of state contract goods/services it be fair, equitable, transparent, competitive and cost effective, with reference to bid number: 2021/08/001 not all the requirements of section 217 of Constitution of South Africa and section 112 of the MFMA where heeded to.

Therefore, the process will not be fair as there was disruption of offices by community members on the 11th and 12th of August 2021 and suppliers could not buy tender documents.

This could potentially lead to any expenditure under this contract as irregular, therefore it is advised that the tender to be cancelled and re-advertised.

Hope the above is in order.
