Masilonyana Local Municipality

REQUEST FOR PROPOSALS FOR SECURITY SERVICES SOLUTIONS AT ALL KEY SERVICE DELIVERY INFRASTRUCTURE IN THE FOLLOWING TOWNS: THEUNISSEN, WINBURG, BRANDFORT AND VERKEERDEVLEI.

The **Masilonyana** Local Municipality requires proposals from professional PSIRA registered security service providers on practical and cost-effective solutions that the municipality can implement. The main scope should be focused on key service delivery infrastructure including but not limited to infrastructure for water, sanitation and electricity infrastructure

Parties that are interested in presenting such solutions to the municipality, should indicate their interest via on email: msello@masilonyana.co.za .and the closing date and time for interest via email is on:

Date: 12 November 2024

Time:16h00

The service providers who have expressed their interest will be provide with GPS coordinates of all the key service delivery infrastructure for purposes of assessments that will inform solutions to be proposed.

Furthermore, all service providers who have expressed their interest will be invited to a session to present their proposals. The details for expression of interest and presentations will be communicated via emails.
